Vinjak infusion – Spirit of Joahim Žižmond – Guštin

Merlot and Malvasia wine distillate year 2014.

It is made according to the recipe of our great-grandfather Guštin from 1925, when he was still cooking brandy - brandy from grape skins. At that time, our places were ruled by the state of Italy, which did not allow the cooking of spirits - schnaps, locally, and the farmers did it in secret. We found the recipe of our great-grandfather Guštin in 2005 and updated it according to the taste of today. The brandy, made according to the original recipe, matures for five years in oak barrels.
